ANNUAL REPORT OF FEDERAL ADVISORY COMMITTEES

This is the fourth annual report to the Congress as required by the Federal Advisory Committee Act (Public Law 92-463, October 6, 1972). The report summarizes information on the activities, status, and changes in the composition of advisory committees in existence during calendar year 1975. The detailed information required by section 6(c) of the Act, on which this summary was based, is forwarded separately to the Congress and to the Library of Congress, and is available on microfilm through the National Archives and Records Service of the General Services Administration.

Advisory committees have long been an important means for securing expert advice, ideas, and diverse opinions by the Federal Government, and providing opportunities for the public to participate in governmental decision-making processes. A serious concern, however, about the absence of procedures to establish the need to create or renew committees, and to foster the public accountability of existing committees, led to enactment of the Federal Advisory Committee Act. To accomplish these ends the Act, effective January 5, 1973, assigned responsibilities to the President, the Director of the Office of Management and Budget, the heads of agencies in the executive branch, Congressional committees, and the Library of Congress. The major documents for carrying out executive branch advisory committee management responsibilities are included in this report as Appendices A through D. Among other things, these documents provide for:

- Consultation with the Director of the Office of Management and Budget before any agency may establish any committee not specifically required by statute or Presidential directive;
- An annual comprehensive review of each committee to determine whether it is carrying out its purpose, and whether it should be continued, or merged or abolished;
- Annual reporting of meetings, activities, and membership of each committee; and
- Publication of notices of the time, place, and subject, of advisory committee meetings.

As of December 31, 1975, 1,267 advisory committees were in existence, an increase of 25 from the total of 1,242 reported at the end of 1974. The change in the total reflects:

| | |
|--|-----|
| New committees established during 1975 | 272 |
| Committees terminated, merged, or abolished during 1975 | 233 |
| Committees existing, but first chartered during 1975 | 8 |

Of the total number of committees reported, 20 percent (295 committees) were mandated by statute; 29 percent (440 committees) were specifically authorized--but not required to be established--by statute; and the remainder were established by Presidential directive (23 committees) or under general agency or department authorities (742 committees).

As noted in earlier reports, the greatest number of committees are concentrated under a small number of departments or agencies; eight have had 40 or more advisory committees in each of the years from 1972 through 1975:

| <u>Department/Agency</u> | <u>1972</u> | <u>1973</u> | <u>1974</u> | <u>1975</u> |
|--------------------------------|-------------|-------------|-------------|-------------|
| Health, Education, and Welfare | 367 | 286 | 299 | 322 |
| Agriculture | 172 | 136 | 163 | 168 |
| Interior | 126 | 129 | 126 | 109 |
| Defense | 95 | 81 | 97 | 66 |
| Commerce | 76 | 41 | 72 | 74 |
| Small Business Administration | 66 | 66 | 67 | 66 |
| Commission on Civil Rights | 51 | 51 | 51 | 51 |
| National Science Foundation | 41 | 43 | 45 | 48 |

The total Federal costs (as reported by the individual agencies) to operate and support advisory committees in 1975 were \$51,769,400. These costs include such items as salary, travel, and per diem allowances for committee members; staff support costs (including salary and other allowances for Federal employees supporting the committees); consultants fees; and printing and supplies. Costs for individual committees ranged from zero for some, to more than one million dollars for each of five others.

The Director of the Office of Management and Budget, as required by section 7(e) of the Act, recommends an amount of \$53,327,900 as necessary for the expenses of advisory committees in calendar year 1976. This amount is incorporated in the President's budget recommendations to the Congress.

The table "Advisory Committee Summary Data for CY 1975," on the following page, summarizes quantitative information about Federal advisory committees, by department and agency, and for the executive branch as a whole. As indicated above, the detailed information on individual committees is available in the Library of Congress, or through the National Archives and Records Service. Additional information about particular committees may be obtained from the Committee Management Officer, or the staff contact, at the agency responsible for the committee. Following the Table, the report contains the following listings:

- (1) Alphabetical listing of all advisory committees in existence at the end of calendar year 1975, with the agency responsible indicated;

- (2) Alphabetical listing of all advisory committees new, in existence, or terminated during calendar year 1975 by agencies and departments; and
- (3) Names, addresses and telephone numbers of agency Committee Management Officers and staff contacts.

For information concerning advisory committee management which cannot be obtained from the sources indicated above, contact the Committee Management Secretariat, Office of Management and Budget, Washington, DC 20503 (Telephone: (202-395-5193)).

Federal Advisory Committee Act (Public Law 92-463)

Public Law 92-463
92nd Congress, H. R. 4383
October 6, 1972

An Act

86 STAT. 770

To authorize the establishment of a system governing the creation and operation of advisory committees in the executive branch of the Federal Government, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Federal Advisory Committee Act".

Federal Advisory Committee Act.

FINDINGS AND PURPOSES

SEC. 2. (a) The Congress finds that there are numerous committees, boards, commissions, councils, and similar groups which have been established to advise officers and agencies in the executive branch of the Federal Government and that they are frequently a useful and beneficial means of furnishing expert advice, ideas, and diverse opinions to the Federal Government.

(b) The Congress further finds and declares that—

- (1) the need for many existing advisory committees has not been adequately reviewed;
- (2) new advisory committees should be established only when they are determined to be essential and their number should be kept to the minimum necessary;
- (3) advisory committees should be terminated when they are no longer carrying out the purposes for which they were established;
- (4) standards and uniform procedures should govern the establishment, operation, administration, and duration of advisory committees;
- (5) the Congress and the public should be kept informed with respect to the number, purpose, membership, activities, and cost of advisory committees; and
- (6) the function of advisory committees should be advisory only, and that all matters under their consideration should be determined, in accordance with law, by the official, agency, or officer involved.

DEFINITIONS

SEC. 3. For the purpose of this Act—

(1) The term "Director" means the Director of the Office of Management and Budget.

(2) The term "advisory committee" means any committee, board, commission, council, conference, panel, task force, or other similar group, or any subcommittee or other subgroup thereof (hereafter in this paragraph referred to as "committee"), which is—

- (A) established by statute or reorganization plan, or
- (B) established or utilized by the President, or
- (C) established or utilized by one or more agencies,

in the interest of obtaining advice or recommendations for the President or one or more agencies or officers of the Federal Government, except that such term excludes (i) the Advisory Commission on Intergovernmental Relations, (ii) the Commission on Government Procurement, and (iii) any committee which is composed wholly of full-time officers or employees of the Federal Government.

(3) The term "agency" has the same meaning as in section 551(1) of title 5, United States Code.

(4) The term "Presidential advisory committee" means an advisory committee which advises the President.

APPLICABILITY

SEC. 4. (a) The provisions of this Act or of any rule, order, or regulation promulgated under this Act shall apply to each advisory committee except to the extent that any Act of Congress establishing any such advisory committee specifically provides otherwise.

Restrictions.

(b) Nothing in this Act shall be construed to apply to any advisory committee established or utilized by—

- (1) the Central Intelligence Agency; or
- (2) the Federal Reserve System.

(c) Nothing in this Act shall be construed to apply to any local civic group whose primary function is that of rendering a public service with respect to a Federal program, or any State or local committee, council, board, commission, or similar group established to advise or make recommendations to State or local officials or agencies.

RESPONSIBILITIES OF CONGRESSIONAL COMMITTEES

Review.

SEC. 5. (a) In the exercise of its legislative review function, each standing committee of the Senate and the House of Representatives shall make a continuing review of the activities of each advisory committee under its jurisdiction to determine whether such advisory committee should be abolished or merged with any other advisory committee, whether the responsibilities of such advisory committee should be revised, and whether such advisory committee performs a necessary function not already being performed. Each such standing committee shall take appropriate action to obtain the enactment of legislation necessary to carry out the purpose of this subsection.

Guidelines.

(b) In considering legislation establishing, or authorizing the establishment of any advisory committee, each standing committee of the Senate and of the House of Representatives shall determine, and report such determination to the Senate or to the House of Representatives, as the case may be, whether the functions of the proposed advisory committee are being or could be performed by one or more agencies or by an advisory committee already in existence, or by enlarging the mandate of an existing advisory committee. Any such legislation shall—

- (1) contain a clearly defined purpose for the advisory committee;
- (2) require the membership of the advisory committee to be fairly balanced in terms of the points of view represented and the functions to be performed by the advisory committee;
- (3) contain appropriate provisions to assure that the advice and recommendations of the advisory committee will not be inappropriately influenced by the appointing authority or by any special interest, but will instead be the result of the advisory committee's independent judgment;
- (4) contain provisions dealing with authorization of appropriations, the date for submission of reports (if any), the duration of the advisory committee, and the publication of reports and other materials, to the extent that the standing committee determines the provisions of section 10 of this Act to be inadequate; and

(5) contain provisions which will assure that the advisory committee will have adequate staff (either supplied by an agency or employed by it), will be provided adequate quarters, and will have funds available to meet its other necessary expenses.

(c) To the extent they are applicable, the guidelines set out in subsection (b) of this section shall be followed by the President, agency heads, or other Federal officials in creating an advisory committee.

RESPONSIBILITIES OF THE PRESIDENT

SEC. 6. (a) The President may delegate responsibility for evaluating and taking action, where appropriate, with respect to all public recommendations made to him by Presidential advisory committees.

(b) Within one year after a Presidential advisory committee has submitted a public report to the President, the President or his delegate shall make a report to the Congress stating either his proposals for action or his reasons for inaction, with respect to the recommendations contained in the public report.

Report to
Congress.

(c) The President shall, not later than March 31 of each calendar year (after the year in which this Act is enacted), make an annual report to the Congress on the activities, status, and changes in the composition of advisory committees in existence during the preceding calendar year. The report shall contain the name of every advisory committee, the date of and authority for its creation, its termination date or the date it is to make a report, its functions, a reference to the reports it has submitted, a statement of whether it is an ad hoc or continuing body, the dates of its meetings, the names and occupations of its current members, and the total estimated annual cost to the United States to fund, service, supply, and maintain such committee. Such report shall include a list of those advisory committees abolished by the President, and in the case of advisory committees established by statute, a list of those advisory committees which the President recommends be abolished together with his reasons therefor. The President shall exclude from this report any information which, in his judgment, should be withheld for reasons of national security, and he shall include in such report a statement that such information is excluded.

The Director may from time to time request such information as he deems necessary to carry out his functions under this subsection. Upon the completion of the Director's review he shall make recommendations to the President and to either the agency head or the Congress with respect to action he believes should be taken. Thereafter, the Director shall carry out a similar review annually. Agency heads shall cooperate with the Director in making the reviews required by this subsection.

CIRCULAR NO. A-63
Revised

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Advisory Committee Management

1. Purpose. This Circular provides guidance for implementation of the Federal Advisory Committee Act, Public Law No. 92-463, 5 U.S.C. App. I, (hereinafter referred to as the "Act") and Executive Order No. 11769, entitled "Advisory Committee Management."

2. Rescission. This Circular rescinds and supersedes the December 26, 1972 revision of Circular No. A-63 and the OMB/Department of Justice Memorandum on implementation of the Federal Advisory Committee Act (see 38 Fed. Reg. 2306 (1973)).

3. Policy. In the application of this Circular, these principles should be followed.

a. Advisory Committee meetings should be open to the public. Exceptions should be held to the minimum, carefully grounded in law and explained in detail. The emphasis should be on the free flow of information to the public.

b. Advisory committees should be limited to those that are essential. Any advisory committees which are not fulfilling their purposes should be terminated.

c. The recommendations of advisory committees should be considered by those who sought advice, while responsible Federal officers retain authority for decisions.

d. Standards and uniform procedures for the creation, operation, and duration of advisory committees should be established.

4. Definitions. For purposes of this Circular --

a. "Act" means the Federal Advisory Committee Act.

(No. A-63)

b. "Advisory Committee" has the meaning set forth in Section 3 of the Act.

5. Responsibilities.

a. The Office of Management and Budget (OMB). In general, the functions of the Director under the Act and under Executive Order 11769 shall be carried out by the Committee Management Secretariat of OMB.

b. Departments and agencies.

(1) The head of each agency which uses an advisory committee shall insure compliance with the Act and this Circular and shall issue regulations which apply to all advisory committees established or used by the agency.

(2) The head of each agency which uses an advisory committee shall designate an Advisory Committee Management Officer who shall carry out the functions specified in Section 8(b) of the Act and this Circular. The name of each Advisory Committee Management Officer shall be provided to the OMB Secretariat.

(3) Each agency shall maintain information on the nature, functions, and operations of each of its advisory committees. This shall include a complete set of the charters of the agency's advisory committees, and copies of the annual reports on its advisory committees in a single location.

6. Creation of advisory committees.

a. When an agency proposes to establish an advisory committee not specifically authorized by statute or by the President, the agency head must consult with the OMB Secretariat. Such "consultation" may be in the form of a letter from the agency head describing the nature and purpose of the proposed advisory committee, including an explanation of why the functions of the proposed committee could not be performed by the agency or by an existing committee. The letter, in addition, should describe the agency's plan to attain balanced membership on the proposed committee. If the OMB Secretariat is satisfied that establishment of the advisory committee would be in accord with the Act, the agency head shall certify in writing that creation of the advisory committee is in the public interest. This

(No. A-63)

certification and a description of the nature and purpose of the committee shall be published in the Federal Register at least 15 days prior to the filing of the committee's charter. The OMB Secretariat may, for good cause, authorize a shorter period of time between publication of the notice and the filing of the charter.

If not satisfied that establishment of the advisory committee would be in accordance with the Act, the OMB Secretariat shall inform the agency head in writing within 15 days of receipt of the agency letter.

b. Unless specifically provided otherwise by statute or Presidential directive, advisory committees shall be utilized solely for advisory functions.

c. (1) Each advisory committee shall file a charter complying with Section 9(c) of the Act. This requirement applies to committees "utilized" as advisory committees, though not established for that purpose.

(2) A copy of each charter shall be furnished to the Library of Congress at the time of filing. Copies should be sent to:

Library of Congress
Exchange and Gift Division
Federal Advisory Committee Desk
Washington, D.C. 20540

7. Termination and renewal of advisory committees.

a. Each nonstatutory advisory committee (i.e., not established by statute or reorganization plan) which is in existence on January 5, 1973, shall terminate no later than January 5, 1975, unless it is renewed by the President or the agency head prior to January 5, 1975.

Before such a committee can be renewed by an agency, the agency head must determine that renewal is necessary and shall inform the OMB Secretariat of his determination and the reasons for it not more than 60 days before the committee expires. If the Secretariat concurs, the agency head shall publish notice of the renewal in the Federal Register and shall file a new charter.

(No. A-63)

Any advisory committee which is renewed shall continue for not more than two years unless, prior to the expiration of that period, it is renewed. Each such advisory committee established by the President or a Federal officer after January 5, 1973, shall terminate not later than two years after its establishment unless prior to that time it is renewed.

b. Each advisory committee established by statute or reorganization plan which is in existence on January 5, 1973, shall terminate by January 5, 1975, unless its duration is otherwise provided for by law.

(1) Each such advisory committee which is established after January 5, 1973, shall terminate not later than two years after its establishment unless its duration is otherwise provided for by law.

(2) Any such statutory advisory committee shall file a new charter upon the expiration of each successive two-year period following the date of enactment of the statute establishing the committee.

c. No advisory committee required by Section 14(b) of the Act to file a new charter shall take any action, other than preparation and filing of such charter, between the date the new charter is required, and the date it is filed.

8. Operation of advisory committees.

a. Calling of meetings.

(1) No advisory committee shall hold any meeting except at the call of or with the advance approval of the Federal official designated in accordance with Sec. 10(e) of the Act and this Circular. (See 8f below.)

(2) Except with respect to Presidential advisory committees, each meeting of an advisory committee shall be conducted in accordance with an agenda approved by the Federal official. The agenda shall list the matters to be considered at the meeting. It shall also indicate when any part of the meeting will concern matters within the exemptions of the Freedom of Information Act, 5 U.S.C. 552(b).

b. Notice of meetings.

(No. A-63)

(1) Except when the Director determines otherwise for reasons of national security, timely notice of each advisory committee meeting, whether open or closed to the public, shall be published in the Federal Register. In addition to the notice in the Federal Register, other forms of notice should be used, for example, press releases and notices by mail. Where practicable, agencies should maintain lists of people and organizations interested in particular advisory committees and notify them of meetings by mail.

(2) Such notice should state the name of the advisory committee, the time, place and purpose of the meeting (including where appropriate, a summary of the agenda). Notices ordinarily should state that meetings are open to the public, or, explain why any part is closed.

(3) Such notice should be published at least 15 days before the date of the meeting except that shorter notice may be provided in emergency situations, and the reasons for such emergency exceptions shall be made part of the meeting notice. Agencies should keep in mind the time the Federal Register needs to get notices into print, and plan accordingly.

(4) Notice is not required when the Director has determined that it should not be published for reasons of national security. Any agency advisory committee which seeks such a determination, shall submit its request and a statement of reasons to the Director at least 30 days before the meeting is scheduled.

c. Public participation. The agency head or, in the case of a Presidential advisory committee, the chairman of the committee shall, for any advisory committee meeting, all or part of which is open to the public, assure compliance with the following rules:

(1) Meetings shall be held at a reasonable time and at a place that is reasonably accessible to the public.

(2) The size of the meeting room shall be determined by such factors as the size of the committee, the number of members of the public who could reasonably be expected to attend, the number of persons who attended similar meetings in the past and the resources and facilities available.

(No. A-63)

(3) Any member of the public shall be permitted to file a written statement with the committee.

(4) Interested persons may be permitted by the committee chairman to speak at the meeting in accordance with procedures established by the committee.

d. Closed meetings.

(1) Section 10(d) of the Act states that the provisions concerning open meetings and public participation "shall not apply to any advisory committee meeting which the President, or the head of the agency to which the advisory committee reports, determines is concerned with matters listed in . . ." 5 U.S.C. 552(b), the exemptions of the Freedom of Information Act.

(2) An advisory committee which seeks to have all or part of a meeting closed on the basis of 5 U.S.C. 552(b) shall notify the agency head or, in the case of a Presidential advisory committee, the Director at least 30 days before the scheduled date of the meeting. The notification shall be in writing and shall specify all the reasons why any part of the meeting should be closed.

If the agency head or the Director finds the request to be warranted and in accordance with the policy of the Act, the request shall be granted. The determination of the agency head or the Director shall be in writing and shall state the specific reasons for closing all or part of the meeting. The determination itself shall be made available to the public on request. The agency head or the Director may delegate responsibility for making the above determinations. However, in any case where a determination to close a meeting is made by a delegate of the agency head, the determination should be reviewed by the agency General Counsel.

(3) When a meeting is closed, the advisory committee shall issue a report at least annually setting forth a summary of its activities and related matters which are informative to the public consistent with the policy of 5 U.S.C. 552(b). Notice of availability of such annual report shall be published in the Federal Register no later than 60 days after its completion. The notice shall include instructions which will allow the public access to the report.

(No. A-63)

e. Minutes. Detailed minutes shall be kept of each advisory committee meeting. The minutes shall include: the time and place of the meeting; a list of advisory committee members and staff and agency employees present at the meeting; a complete summary of matters discussed and conclusions reached; copies of all reports received, issued, or approved by the advisory committee; a description of the extent to which the meeting was open to the public; and a description of public participation, including a list of members of the public who presented oral or written statements and an estimate of the number of members of the public who attended the meeting.

The chairman of the advisory committee shall certify to the accuracy of the minutes.

f. Designated Federal employee.

(1) With regard to an advisory committee used by an agency, the agency head shall designate a Federal officer or employee as set forth in Section 10(e) of the Act and determine whether he is to chair or attend the meetings. With regard to Presidential advisory committees such officer or employee may be designated, and his role determined by the Director. Ordinarily, the designated Federal employee should serve on a continuing basis.

(2) No advisory committee shall conduct a meeting in the absence of the designated Federal employee.

(3) The designated Federal employee shall be authorized to adjourn any advisory committee meeting, whenever he determines adjournment to be in the public interest.

9. Reports on advisory committees.

a. The President has delegated, in Executive Order 11769, responsibility for preparation of the annual report required by Section 6(c) of the Act to the Administrator of General Services. The General Services Administration (GSA) will provide appropriate reporting instructions.

b. Two copies of each public report of each Presidential advisory committee shall be submitted to the OMB Committee Management Secretariat at the time of the submission to the President.

(No. A-63)

10. Comprehensive Review. The annual review required by Section 7(b) of the Act shall be conducted on a calendar-year basis. Agencies may schedule the review so that its results are incorporated in the annual report of advisory committees. The review should examine all advisory committees, and terminate those no longer useful. Advisory committees specifically created by statute or Executive Order should be reviewed, and if appropriate, their termination recommended. The comprehensive review should include, among other things, a summary of the total number of advisory committee meetings, the number of closed or partially closed meetings, and a recapitulation of the exemptions in the Freedom of Information Act used as a basis for closing meetings. The review should also comment in some detail on agency efforts and procedures to insure balanced membership on its advisory committees. The results of the comprehensive review should be included in the annual report to the Administrator of General Services.

11. Uniform pay guidelines.

a. Pay for members of an advisory committee.

(1) Subject to the provisions of this paragraph, an agency shall fix the pay of the members of an advisory committee to the daily equivalent of a rate of the General Schedule in 5 U.S.C. 5332 unless the members are appointed as consultants and compensated as provided in 11c below.

(2) In determining an appropriate rate of pay for the members of an advisory committee, an agency shall give consideration to the significance, scope, and technical complexity of the matters with which the advisory committee is concerned and the qualifications required of the members of the advisory committee.

(3) An agency may not fix the pay of the members of an advisory committee at a rate higher than the daily equivalent of the maximum rate for GS-15 unless the head of the agency has personally determined that, under the factors set forth in paragraph 11b(2), a higher rate of pay is justified and necessary. Such a determination must be reviewed by the head of the agency annually.

(No. A-63)

b. Pay for the staff of an advisory committee.

(1) Subject to the provisions of b(2), below, an agency shall fix the pay of each member of the staff of an advisory committee at a rate of the General Schedule in which the staff member's position would appropriately be placed were the General Schedule classification system in chapter 51 of title 5, United States Code, applicable to the position.

(2) An agency may not fix the pay of a member of the staff of an advisory committee at a rate higher than the daily equivalent of the maximum rate for GS-15 unless the head of the agency has determined that, under the General Schedule classification system, the staff member's position would appropriately be placed in the General Schedule grade higher than GS-15. Such a determination must be reviewed by the head of the agency annually.

c. Pay for consultants to an advisory committee. An agency shall fix the pay of a consultant to an advisory committee after giving consideration to the qualifications required of the consultant and the significance, scope, and technical complexity of the work. The rate of pay shall not exceed the maximum rate of pay which the agency may pay experts and consultants under 5 U.S.C. 3109.

d. Voluntary services of an advisory committee member. The provisions of this section shall not prevent an agency from accepting the voluntary services of a member of an advisory committee, or a member of the staff of an advisory committee, provided that the agency has authority to accept such services without compensation.

e. Reimbursable travel expenses for advisory committee members and staff. The members of an advisory committee, and the staff thereof, while engaged in the performance of their duties away from their homes or regular places of business, may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by 5 U.S.C. 5703 for persons employed intermittently in the Government service.

12. Effective date. The provisions of this Circular are effective on May 1, 1974.

CIRCULAR NO. A-63
Transmittal Memorandum No. 3

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Advisory Committee Management -- Annual
Comprehensive Review of Committees

1. Purpose. This Transmittal Memorandum supersedes Section 10, Circular No. A-63, Revised, dated March 27, 1974, and Transmittal Memorandum No. 2, dated July 19, 1974. Instructions for the completion of the annual comprehensive review of advisory committees, and the reporting format, are provided.

2. Background. Section 7(b) of P.L. 92-463 requires the Director of the Office of Management and Budget (OMB) to conduct annually a comprehensive review of each advisory committee to determine:

- a. whether such committee is carrying out its purpose;
- b. whether, consistent with the provisions of applicable statutes, the responsibilities assigned to it should be revised;
- c. whether it should be merged with other advisory committees; or
- d. whether it should be abolished.

The Director may request such information as he deems necessary to carry out this function, and agency heads shall cooperate with the Director in making the reviews.

Information for the annual comprehensive reviews of committees differs from that submitted to the General Services Administration on a calendar year basis. The latter is primarily quantitative and used for the preparation of the Annual Report of the President on Federal Advisory Committees as required by Section 6(c) of P.L. 92-463.

(No. A-63)

3. Comprehensive Review. The annual comprehensive review is intended to be a qualitative analysis of each advisory committee. The head of each agency, or a senior policy official designated by the agency head, should carefully review each committee in terms of factors such as, but not limited to, those enumerated in the attached report form (Exhibit I).

Based on this review, a determination should be recommended to continue, merge, terminate, or revise responsibilities of, as appropriate, each advisory committee established by the agency. Similar actions should be recommended for each advisory committee for which the agency has responsibility which was established by statute or Presidential directive.

4. Reports. Following the agency's review, the following information is to be submitted to the Committee Management Secretariat, OMB, not later than April 1 of each year:

a. An annual comprehensive review, in triplicate, of each committee in existence at the end of the preceding calendar year. A format for this review, with instructions, is attached as Exhibit I. Exhibit I may be used as a coversheet for the review of each committee if agencies wish to reproduce copies.

b. A brief description of the agency's annual comprehensive review procedures and process.

c. A letter of transmittal for the review(s), constituting a determination that the continuation of the committees proposed to be continued is in the public interest, signed by the agency head or the designee.

5. Effective date. This Transmittal Memorandum is effective immediately.

6. Inquiries. Inquiries or requests for assistance should be directed to the Committee Management Secretariat, OMB, telephone 395-5193 (code 103).

CIRCULAR NO. A-63
Transmittal Memorandum No. 4

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND ESTABLISHMENTS

SUBJECT: Advisory Committee Management -- Uniform Pay
Guidelines

1. Purpose. This Transmittal Memorandum clarifies Section 11, Circular No. A-63, Revised, dated March 27, 1974, relating to pay and other compensation of members, staff, and consultants of advisory committees.

2. Background. Section 7 of Public Law 92-463 provides that "the Director, after study and consultation with the Civil Service Commission, shall establish guidelines with respect to uniform fair rates of pay for comparable services of members, staffs, and consultants of advisory committees in a manner which gives appropriate recognition to the responsibilities and qualifications required and other relevant factors." Pursuant to the foregoing authority, the Director included uniform pay guidelines as Section 11 of Circular A-63, March 27, 1974. The revisions set forth below are designed to clarify Section 11.

3. Revisions.

(a) Renumber the present subparagraphs a., b., c., d., and e., of Section 11 as subparagraphs b., c., d., e., and f., respectively.

(b) Insert the following as subparagraph "a.":

"a. General

(1) Authority. The guidelines in this paragraph are established under the authority of Section 7(d) of the Federal Advisory Committee Act, 86 Stat. 773.

(2) Applicability. The guidelines in this paragraph shall apply to the pay of members, staff, and consultants of an advisory committee, except that

(A-63)

-151-

nothing in this paragraph shall affect a rate of pay or a limitation on a rate of pay that is specifically established by statute or a rate of pay established under the General Schedule classification and pay system in Chapter 51 and subchapter III of Chapter 53 of title 5, United States Code."

(c) Add the following new subparagraph "g.":

"g. Nothing in this paragraph shall prevent -

(1) an individual who (without regard to his service with an advisory committee) is a full-time employee of the United States, or

(2) an individual who immediately before his service with an advisory committee was such an employee, from receiving compensation at the rate at which he otherwise would be compensated (or was compensated) as a full-time employee of the United States."

4. Explanation. New subparagraph "a(1)" is added to state the authority for establishment of the uniform pay guidelines.

New subparagraph "a(2)" is added to clarify the applicability of the guidelines by making it clear that the guidelines do not affect the rate of pay or a limitation on a rate of pay that is specifically established by statute or a rate of pay established under the General Schedule classification and pay system.

New subparagraph "g" is added to clarify the status and pay of full-time Federal employees serving on advisory committees.

5. Effective Date. This Transmittal Memorandum is effective immediately.

6. Inquiries. Inquiries or requests for assistance should be directed to the Committee Management Secretariat, Office of Management and Budget, telephone 395-5193 (code 103).

(b) Data for the annual report is coordinated with data the agencies supply to the OMB Committee Management Secretariat throughout the year and, in compliance with sec. 6(c) of the act, provides the official source of statistical information on the activities, status, and changes in the composition of Federal advisory committees. The annual report is separate from the annual comprehensive review which is conducted in accordance with OMB Circular No. A-63, Revised.

INSTRUCTIONS FOR COMPLETING STANDARD FORM 248
ANNUAL REPORT ON FEDERAL ADVISORY COMMITTEE

General Instructions. A separate form will be completed for each advisory committee in existence during the calendar year. The form should be completed by the organizational element responsible for support of the committee. A separate form will be completed for each chartered advisory subcommittee or other subgroup that meets the criteria for definition of an advisory committee. The date for each subgroup will be discrete and will not duplicate data for the parent committee.

If any form block contains insufficient space, attach a separately numbered continuation bond sheet.

Instructions for Numbered Blocks.

1. Name of department or agency preparing this report.
2. Calendar year covered by this report.
3. Attach extra sheets of bond paper and number as needed. Each group of forms should be numbered separately.
4. The exact name of the advisory committee as chartered. If a subgroup, list name of parent committee first, then name of subgroup. Add parenthetical explanation of any abbreviations of chartered name, i.e., OPIC Advisory Council (Oversees Private Investment Corporation Advisory Council).
5. Committee status (more than one block may be checked):
 - (a) New (created) this calendar year.
 - (b) In existence at end of this calendar year.
 - (c) Merged into another committee(s) this calendar year. Include the name of the committee(s) with which merged in Block 4, i.e., XXX Advisory Committee merged into YYY Advisory Committee.

 - (a) Creation specifically directed by law (statutory committees).
 - (b) Creation authorized, but not specifically directed, by law (with OMB consultation).
 - (c) Creation authorized by internal department or agency authority (with OMB consultation).
 - (d) Creation directed by Presidential Executive Order, Memorandum, or Proclamation.
7. Specific establishment authority refers to the document authorizing creation of the committee. It is not a reference to the authority for the governmental function on which the committee is advising. Public Law 92-463, Federal Advisory Committee Act, is not the establishment authority for any committee.
 - (a) For committees whose establishment was directed or authorized by law, cite the U.S.C.
 - (b) For committees established by agency authority, cite the agency document and date authorizing creation, i.e., Secretary of XXX Memorandum or Letter of (date); Department of Defense Instruction XXX of (date).
 - (c) For committees established by Presidential Directive, cite the Executive Order number and date or subject title of Presidential Memorandum or Proclamation and its date.
8. Committee type (either a or b, and c if applicable):
 - (a) An Ad Hoc Committee is one created to serve 12 months or less.
 - (b) A Continuing Committee is one created to serve more than 12 months.
 - (c) A Presidential Advisory Committee provides advice directly to the President.
- 9a. Establishment date is the original creation date of the committee.
- 9b. Filing date is the date charter is filed:
 - (a) Presidential Committees with OMB;
 - (b) All other committees (including statutory) with applicable Congressional standing committee(s).
10. Last renewal date, if any, is the most recent rechartering of the committee; use the filing date of any such charter subsequent to the initial charter. If the committee is still within the period of its original charter, indicate "none."
11. Termination date is the expected date the committee will cease functioning. This should be the later of the final terminating or final report date. If there is no expected termination date, indicate "none."
12. Next renewal date is the expected date for the next rechartering of the committee. If the committee is not expected to be continued, indicate "none."
13. A brief statement of the committee's functions.
14. Provide a count of all written reports submitted by the committee during the calendar year. Minutes of meetings are not to be listed as reports. List title and date of submission of all reports submitted during the calendar year.
15. Information on committee meetings. Meetings held on one or more consecutive days count as one meeting. Meetings held on consecutive days interrupted only by weekends or holidays count as one meeting. Enter information as follows:
 - (a) A count of all open meetings.
 - (b) A count of all closed meetings.
 - (c) A count of all partially closed meetings.
 - (d) List of actual dates of all committee meetings held during the calendar year.
16. Total Person-Years/Cost.
